# KENOSHA VELOSPOORT

## 34TH ANNUAL SPRING TRAINING RACES

*The Tour of Illinois & Wisconsin Season Opener/ROTY Event*

### SILVER LAKE PARK, SALEM, WI March 17, 2013

A beautiful wooded Park with snow covered fields, twisting, rolling, dry roads was the setting for the first outdoor bicycle race of the 2013 season. Registration was in a warm heated tent and motor home next to the start finish line.

Parking is within the course but well monitored by Kenosha Velosport course marshals. A lead vehicle warned of the approaching race. Being a new course the riders took it easy for the first lap, except the Cat 1,2,3 who burned up the course for about the first 5 laps. This is no easy flat 4 corner course, more of a road course with everything in 1.5 miles.

Lots of Junior riders came to race and the 10-12 & 13-14 age group surprised many with their quick 5 minute laps.

First race was 10-12 Boys and Girls starting together. About 3 minutes later the 13-14 boys and girls started.
